

COVID-19 Vaccine Management System (CVMS) Provider Portal

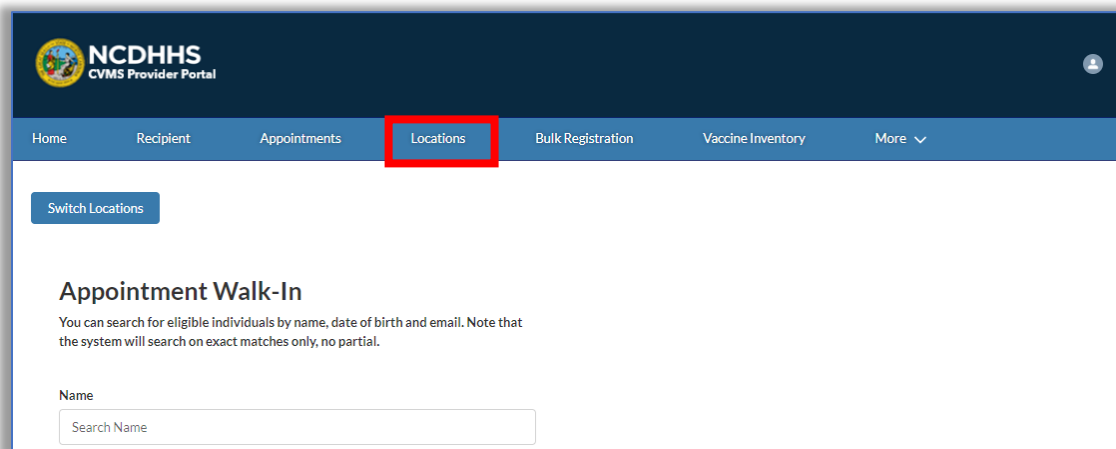

Display a New Community Vaccination Event Location on the Vaccine Site Locator Website Job Aid

Please follow the instructions below if you are a Healthcare Location Manager who wishes to display a new Community Vaccination Event location on the Vaccine Site Locator website (<https://MySpot.nc.gov>).

Step-by-step Instructions

1. Navigate to the CVMS Provider Portal at <https://covid-vaccine-provider-portal.ncdhhs.gov>.
2. Login as a Healthcare Location Manager (if you are linked to multiple accounts, click on **SWITCH LOCATIONS**, and select the applicable location first). Click on the **LOCATIONS** tab.

3. Click the **NEW** button.

The screenshot shows the NCDHHS CVMS Provider Portal interface. At the top, there is a navigation bar with links: Home, Recipient, Appointments, Locations, Bulk Registration, Vaccine Inventory, and More. Below the navigation bar, there is a search and filter section with input fields for 'Filter by Name', 'Filter by Address', 'Filter by Start Date', and 'Filter by Closing Date'. To the right of these filters, there are two buttons: 'New' and 'Enable Scheduling'. The 'New' button is highlighted with a red rectangular box. Below the filters, there is a table with columns: Location Name, Account, Address, Start Date, and Closing Date. The table contains three rows of data:

Location Name	Account	Address	Start Date	Closing Date
Walmart Store- UAT - Do Not Use	TestLoc_UAT1	3633 Clemmons Rd, Clemmons, North Carolina 27012-8725 336-293-1395		
Pop-Up Clinic	Training Team Vaccine Provider - Site 2	123 Test Dr, Raleigh, North Carolina 27609 111-111-1111		
Training Team Vaccine Provider - Site 2	Training Team Vaccine Provider - Site 2	1 fayetteville street, Raleigh, North Carolina 27601 123456789		

4. Complete the **Top** section.

- **Location Name** - The name that will appear on the Vaccine Site Locator website.
- **Account** - The name of the location account as it appears in CVMS.
- **Event Type** - Set your event type to Short-Term Community Event if a vaccine event will be organized only once at that location or Long-Term Community Event if multiple times.

The screenshot shows the 'New Location: Pop-Up Locations' form. The form is divided into two main sections: 'Information' and 'Scheduling Information'. The 'Information' section is highlighted with a red rectangular box. It contains the following fields:

- Location Name**: A text input field with the value 'Saturday Health Care'.
- Account**: A dropdown menu with the selected value 'Training Team Vaccine Provider - Site 2'.
- Event Type**: A dropdown menu with the selected value 'Short Term Community Event'.

The 'Scheduling Information' section contains the following fields:

- Display on Vaccine Site Locator**: A dropdown menu with the value 'No'.
- CVMS Scheduling**: A checkbox that is currently unchecked.

At the bottom of the form, there are three buttons: 'Cancel', 'Save & New', and 'Save'.

5. Complete the **Scheduling Information** section.

- **Display on Vaccine Site Locator** - This field **MUST** be checked for the Community Vaccination Event to appear on the Vaccine Site Locator website (<https://MySpot.nc.gov>).
- **CVMS Scheduling** - Indicates that you will use the scheduling feature in CVMS for this Community Vaccination Event location. If selected, also enter **Available Date** – Today's date.
- **Appointment Phone** - The number for recipients to call with questions about appointment scheduling for the Community Vaccination Event.
- **Appointment Scheduling Website** - If you are using your own non-CVMS scheduling tool, enter the public facing website address where people can schedule appointments or learn how to get vaccinated at your Community Vaccination Event location.

7. Select the **Vaccine Brands** in the Available window and click the Arrow  button to list them in the Chosen window.
 - **Available Vaccine Brands** – Update the Available Vaccine Brands field to identify which COVID-19 vaccine product brands will be administered during the Community Vaccination Event. At least one brand must be selected to save the location. If no vaccine brand is selected an error message will appear.

7. If this location is not using scheduling, skip this step. Enter the **Scheduling Dates** for the location.
 - **Start Date** – The first date for which recipients can book an appointment.
 - **Closing Date** – The last date for which recipients can book an appointment

8. Enter the **ADDRESS** for the location where recipients will go to receive their COVID-19 vaccine for the Community Vaccination Event. **Note:** Do not enter the location's shipping address.
